## Assembly Instructions for the 1.2.3.4 & 6 Bars Wall Quilt Hangers

*Due to shipping damages, we may ship some sizes without the shelf attached to the face piece.*

### Instructions without shelf attached.

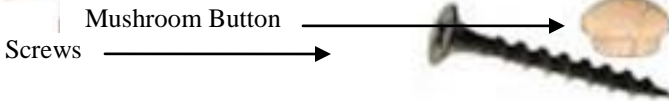

- 1) Place the face piece on a flat level table. Match up shelf and face piece marked with an A at ends. With a screw driver, attach the shelf to the bottom of the face piece with provided screws. Lightly tap in Mushroom buttons provided.

### Instructions with shelf attached

- 1a) Match up the (L) & (R) marked Brackets with the (L) & (R) ends of shelf & Face. Using the remaining sheetrock screws, start inserting the screws into the Outer Shelf Hole & Face holes first, match these with pre-drilled holes in Shelf & Face. After, screw remaining bracket screw into place

- 2) Then finish inserting the Mushroom type wooden button cover to screw holes on brackets and Face piece.
- 3) Hang Quilt flat or fold as needed over bars and insert bars into slots on bracket.
